On November 7th, voters with disabilities will be able to cast their votes independently and privately using our new AutoMARK ballot marking system.

With the AutoMARK system, voters with disabilities can fill out their own paper ballot using state-

of-the-art touchscreens, headphones and Braille. For more information about AutoMARK or the upcoming election, call (209)525-5200 or e-mail stanvote@co.stanislus.ca.us
